

Manufacturing Positions

Cunova Service USA is seeking motivated, dependable, and hands-on individuals to join our manufacturing team. These full-time positions encompass a variety of skilled production roles including Quality Control, Technical Assembly, Welding, Machining, and Electronics. Successful candidates will work in a fast-paced manufacturing environment producing high-quality products while maintaining safety, quality, and productivity standards.

Job Overview

- **Positions:** Machining, Quality Control, Technical Assembly, Welding
- **Locations:** Titusville & Pleasantville, PA
- **Job Type:** Full-Time, all Shifts
- **Pay:** \$20 - \$35 / hr; depending on position, experience, and qualifications

Key Responsibilities

- **Production & Manufacturing Operations:** Perform assigned manufacturing tasks as directed by manufacturing department supervisors.
- **Team Collaboration:** Work closely with supervisors, engineering, quality, and fellow production personnel to meet production schedules and customer requirements.

Qualifications & Requirements

- **Experience:** Previous experience in manufacturing, machining, welding, assembly, electronics, quality control, or a related industrial environment is preferred but not necessary. We are willing to train the right candidates.
- **Technical Aptitude:** Mechanical aptitude and the ability to learn manufacturing processes, equipment, and procedures is required.
- **Blueprint Reading:** Ability to read and interpret blueprints, drawings, specifications, and work instructions is preferred.
- **Quality Focus:** Strong attention to detail and commitment to producing high-quality work.
- **Problem Solving:** Ability to identify issues, follow instructions, and work effectively in a team environment.

- **Physical Requirements:** Ability to stand, walk, lift materials, and perform routine manufacturing activities throughout the workday.
- **Work Ethic:** Dependable, safety-conscious, and committed to maintaining productivity and attendance standards.

Benefits

- Health, dental, and vision insurance
- 401(k) with company matching
- \$2/hour 2nd shift differential
- \$1/hour 3rd shift differential
- Referral Bonus
- Quarterly Profit-Sharing Bonus
- Paid time off (PTO)
- Paid holidays

If you are looking for a rewarding career in manufacturing with opportunities to develop your skills in quality control, machining, welding, technical assembly, or electronics, we encourage you to apply
